

Partnering with churches to serve some of the world's most vulnerable children

## Introduction

Thank you for your interest in Kids Alive International, a Christian ministry that exists to care for some of the world's most vulnerable children. Supporting 40 projects across seven developing projects, our aim is to follow the call of Isaiah and care for some of the most vulnerable in each country, bringing God's love, care and compassion to them all.

With many of the children and their families coming to know Christ as a result of our love and care, we are thrilled when churches want to work with us as overseas mission partners. We therefore have a range of support materials and services that can be used to help us achieve this.

## Activities and services to help with church partnerships

Here are some of the activities that we can offer when partnering with a church.

### Speaking engagements

We would be only too happy to send a representative to speak to a church on a Sunday morning or in a group setting. We can usually tailor our message to fit in with a theme from the Bible or a subject you would like us to cover.

### Site sponsorship

Sometimes churches have a heart for one of the countries we work in or a specific project. If so, we could easily arrange a site sponsorship programme, with termly updates and prayer requests for that project or country.

### Child or classroom sponsorship

We also have a child sponsorship programme for vulnerable children at our schools, where we provide twice-yearly updates. Sometimes churches like to sponsor a child or a group of children, even a classroom.

**“Go, therefore, and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit...” Matthew 28:19-20**

### Team trips

We also occasionally organise short-term trips for groups of 12-15 from churches, usually asking them to help out with the project while they are there for a week or so, eg put on activities for the children, help in the kitchen areas, help with some painting, etc. Those who go would obviously need to raise the funds to do so.

### Fundraising and awareness activities

We are also thrilled to help churches with any awareness building activities that we do or local fundraising ideas, eg Kids Alive quizzes or cake stalls.

### Regular email updates

Each month we send out about 2 emails with updates about our work and any prayer requests we may have, so individuals can feel engaged and part of our ministry.
