

Thank you for praying for us!

Thank you so much for praying for Kids Alive's work, which serves some incredibly vulnerable and traumatised children and their families around the world. As a Christian organisation, prayer is at the heart of all we do, so we really appreciate yours.

To help guide you, we have listed prayer points for each fortnight by country until the autumn. Feel free to follow this structure or whatever works best for you, either alone or with a small group or church. Thank you again, and God bless you!

5th – 18th May 2025 - please pray for our work in LEBANON

- Please pray for peace and stability in this troubled country and for Godly and honourable political leaders.
- Please pray for our work with traumatised Syrian refugee children & their families, that many will come to know Jesus in the only Arab country where the gospel can be legally shared.
- Please also pray for continued wisdom on how best to serve the many displaced families who have returned to their homes in the South, only to find rubble.
- For wisdom on our boys' programme as we receive increasing requests from the judicial authorities for homeless children due to parental incarceration. Our spaces are limited, yet we do not want to turn anyone away, as many are severely traumatised.
- Please pray for our Country Director, Denise, and her incredible team, as they face so many challenging cases.

19th May – 1st June 2025 - please pray for our work in HAITI

- Please pray for this violent and turbulent country, where gangs and mobs are ruling the streets in the capital city and forcing many to flee. For wisdom on how to best serve the many displaced families asking us for help.
- For protection for all our children, their families, and our staff at our school and residential support centre further north in the Cap-Haïtien region. And for anointing as we work to train other schools in trauma awareness.

Kids Alive Prayer Guide for Summer 2025

2nd – 22nd June 2025 - please pray for our work in KENYA

- Please give thanks for the new medical clinic at our Karundas Hope Centre (government-funded). Pray it helps us reach the most vulnerable in one of Kenya's fragile regions.
- Pray for our neighbouring Hall Mead School to secure funds for a new bus and classroom, after adding two school year groups to become a middle school.
- Pray for our work with churches in Nairobi's slums that lack kids' programmes. We aim to establish accessible church programmes for the families we serve.
- Lastly, pray for many traumatised children and families in the slums, often led by a young single mother, referred to us by local schools and churches. Some kids have dropped out of school and are forced to beg or work.

23rd June- 13th July please pray for our work in ZAMBIA

- Please pray for the Tailoring Project at our primary school in remote western Zambia, where we teach fragile families to sew, enabling them to support their children once they leave our care.
- Pray for our partnership with the UK Christian charity Tools with a Mission, which supplies sewing machines and equipment to us free of charge.
- Pray for the country of Zambia, where famines have caused high unemployment, leading to increased cases of abandoned children referred to us.
- Additionally, pray for our 'Babies in Prison' project, that we can effectively serve those aged four and under who live in poor prison conditions, and that many mothers and women inmates will come to know Jesus through our outreach.

Kids Alive Prayer Guide for Summer 2025

14th – 27th July 2025 - please pray for our work in GUATEMALA

- Please pray for our groundbreaking work with girls who have suffered unspeakable sexual assaults, some as young as five years old, many of whom are referred to us by the courts.
- Please pray that these precious girls will experience God's healing touch as they receive specialised trauma care and support in pursuing justice in the courts.
- Please continue to pray for the Escuintla Justice Centre team as they seek perpetrator convictions, particularly for an agreement they are negotiating with the government regarding legal training and support for the courts.
- Please pray for the new girls survivors' network called the 'Community of Birds' as they meet for fellowship, prayer, and worship.
- And finally, for our staff working in particularly challenging and heartbreaking contexts, especially those at our Oasis residential programme.

28th July – 10th August - please pray for our work in the DOMINICAN REPUBLIC

- Please pray that we can effectively serve some of the DR's most vulnerable children through our seven schools and three residential programmes, all located in some of the country's toughest regions.
- Pray also pray for our work with the Ministry of Education (DR's education system is almost non-existent and has by far the worst education results of any Latin American country, apart from Haiti, which doesn't have any data).
- Pray for the many vulnerable children in our care in the DR, especially the most traumatised.
- Many of the kids we care for go on to become Christians with a passion and heart to 'give something back' and serve their communities and churches. It really is inspiring! Please pray that we continue to see inspiring and Godly leaders raised up.

- That many child victims will come to experience God's peace and strength as they arrive at a place of healing.
