## Autumn 2026

**Thank you for praying for us!**

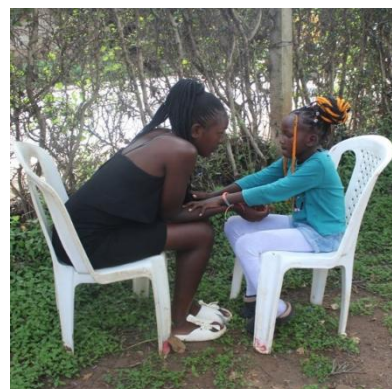

Thank you so much for praying for our work, which serves some incredibly vulnerable and traumatised children and their families around the world. Prayer is at the heart of all we do, so we really appreciate yours!

**To help guide you, we have listed prayer points for each fortnight by country until Christmas. Feel free to follow this structure or whatever works best for you, either alone or with a small group or church. Thank you again, and God bless you!**

**Sept 6<sup>th</sup> – Sept 19<sup>th</sup> – please pray for our work in KENYA**

- Child sexual and physical abuse is a huge issue in Kenya. Please pray for our new project to address this, which we're calling 'Justice that Heals'.
- Not only do we hope to provide care for victims but also pursue justice in the law courts for them.
- Crucially, we hope to train judges, lawyers, child welfare officers, etc in child-friendly and trauma-aware processes, so that Kenya's courts and welfare systems are empowered to provide healing for the child, as well as getting more successful convictions (which in turn help prevent future instances).
- Please also pray for our ever-growing work at our Karundas Hope Centre near Mount Kenya, for some excellent partnerships with local churches, schools and child welfare partners. As well as our Hall Mead School nearby, especially for a new school bus!
- Please pray for our work in the slums of Nairobi, serving traumatised children, many school dropouts.
- Please pray for anointing on our team as they train teachers, churches and authorities in trauma awareness and care, making their classrooms 'safe spaces', where children can learn to trust again and heal.

## Autumn 2026

**Sept 20<sup>th</sup> – October 3<sup>rd</sup> – please pray for our work in HAITI**

- Please pray for this violent and turbulent country, which is soaked in a culture of voodoo and black magic. That it can truly be transformed in Christ, spiritually, politically, socially and economically.
- In particular, for our wonderful school that serves about 300 of Haiti's most impoverished and vulnerable children.
- Continued prayers for provision of resources – financial, material, and spiritual – to meet the children's physical, emotional, and educational needs.
- One of our staff has breast cancer. Please pray for complete healing and resources for treatment with her. She has been faithfully serving us for over 20 years.
- Continued prayers for Haiti's restoration – political, social, economic, and above all, spiritual. That the many armed gangs repent and lay down their weapons and the many displaced families safely return to their homes.
- God's justice, mercy, and healing over Haiti.

## Autumn 2026

**October 4<sup>th</sup> – October 17<sup>th</sup> – please pray for our work in PERU**

- Please pray for our work in Peru, where we have a presence in three hotspot regions of violence against children and women.
- For our work with vulnerable and abused children in the slums of Manchay; in the jungle region of Pucallpa; and in the beautiful but troubled Andahuaylas region of the Andes.
- Please pray for our 'Justice that Heals' programme, which works closely with the courts and child welfare systems to provide healing and justice for child victims of sexual assault.

- Please pray for our Country Director, Marlene, as well as her team, especially for God's blessing on them as they minister to some incredibly traumatised and vulnerable children.
- At the time of writing, four of the team are living with cancer. Please pray for complete healing for all of them.
- Funding has been a real issue for our work in Peru, please pray that God will bless our team with abundant resources to do their work. Muchas gracias!

## Autumn 2026

**October 18<sup>th</sup> – October 31<sup>st</sup> – please pray for our work in ZAMBIA**

- Please pray for our work in Zambia, serving some of its most vulnerable and traumatised children, including child brides, victims of sexual assault, and some who have been abandoned by their parents.
- Child sexual abuse is a big issue in Zambia, especially in rural areas. Please pray for our new 'Justice that Heals' pilot project to establish a way to address this. It follows a remarkable agreement with the Zambian authorities which allows us unique access to their courts.
- We are not only able to pursue justice for child victims of abuse but also train the courts and child welfare systems on how to better care for victims, especially in trauma awareness. In doing so, that there will be more successful convictions, as the child is more empowered to give their testimony.
- Please also pray for our school in a vulnerable region in western Zambia, which only admits the most vulnerable.
- For blessing on our team there working on the frontline, caring for some incredibly traumatised children and their families.
- Please pray for our project working with local churches to minister to mums and their under 4s who are serving prison sentences, where the child is raised in object prison conditions.
- Finally, please pray for our Country Director, Bestone, as he guides and leads our work in Zambia.

## Autumn 2026

**November 1<sup>st</sup> – November 14<sup>th</sup> please pray for our work in GUATEMALA**

- Please pray for our remarkable work in Guatemala, serving traumatised girls who have suffered unspeakable sexual abuse. In particular, for our 'Justice that Heals' work, bringing justice and care for child victims of abuse.
- Thank God for the agreement we made with the Guatemalan government to access and train all court judges, key legal players and child welfare officers, in best child-friendly and trauma aware practices. That we will see a significant reduction in child sexual abuse as a result of this programme.
- For healing and restoration for the girls and anointing for our staff as they work with them.
- Please pray for the 40 or so girls staying at our Oasis Centre as they recover from the horrendous traumas they have been through. That they will all come to know God and His healing.
- And for the 20 or so young women at our Casa Ester programme, all of whom are too old to stay at Oasis, that they will be able to successfully integrate back into society after all they have been through.
- Please pray for continued blessing on our wonderful survivors' group called 'Comunidad de Aves', where girls and young women get together to encourage each other and develop friendships.
- Finally, we hope to take a group of UK supporters to Guatemala next year. Please pray for a successful trip (and if you are interested in going, please let us know!).

## Autumn 2026

**November 15<sup>th</sup> – November 28<sup>th</sup> please pray for our work in LEBANON**

- Please pray for our work with vulnerable Syrian refugee children and their families, especially those impacted by the recent fighting between Israel and Hezbollah. For the many families we serve who have lost what scant piecemeal income they were earning as a result of the fighting, with many businesses being forced to close.
- Pray especially for our staff – for their motivation and morale as they continue to serve in such unsettling times. That they will be a shining light for Jesus in the only Arab country where the Gospel can be legally shared.
- For continued blessing on our 'Lighthouse' ministry with the mums, over 90 of whom now come regularly to our Bible classes.
- And for our 'Couples Nights', which have been so effective in reaching out to the dads.
- And our relatively new ministry serving several children referred to us by the judicial system, all heart-breaking cases.
- Please pray for our work in trauma care, as well as our therapists and psychologists working on the frontline, including our teachers.
- In a challenging funding season, for wisdom, guidance and protection for our Country Director, Denise Dagher.
- And finally, that our work will be a beacon of light to many who do not know Jesus in this troubled land.

## Autumn 2026

**November 29<sup>th</sup> – Dec 11<sup>th</sup> – please pray for our work in trauma care**

- Please pray for our work around the world in trauma care, which is an area we believe God is calling us more and more to get involved in.
- Please pray for the many traumatised children that we serve, that they will come to know God's healing and love.
- Pray for anointing on our staff as they deal with some incredibly tough and heart-breaking cases.
- That we are able to effectively train and empower other organisations in trauma awareness, especially through court systems, including judges, prosecuting lawyers, child welfare officers, and more. Likewise, our work with churches, schools and other local partners.
- For our psychologists and trauma specialists, that they will be able to combine the latest in neuroscience and best trauma care practices, with the knowledge that ultimately it is God who heals.
